EMPLOYMENT OPPORTUNITY

Quality Control Technician, Full time

Fritzall is a producer of architectural and structural precast products to the residential, commercial and agricultural building sectors.

We are currently looking for qualified quality technicians to join our team.

Do you:

- Hold a valid ACI Field Testing Technician – Grade I certification
- Meet one of the following experience requirements:
 - Six months experience in a precast concrete plant
 - One year experience in a related field
 - BSCE degree or related field
 - Associate degree in concrete technology
 - Hold a PCI Level I certification

If so, please get in touch.
